

This special release will be the last ever release from Ai records.

We decided not to put out a press release, as we wanted you to be the first to know.
That's why it was so important that you our loyal customer - got this record first and found out this way before any one else...

We thank our loyal fans for all the support over the years, as it's been you who've helped the label grow and supported us in all our releases since 1999...

As one life ends, another grows...
RUR will now enter the next phase of its existence while carrying on Ai's great legacy.
Please stay tuned for more RUR releases.

Thanx for the memories.
// Ai Records.
